# Project periodization

If the cell „WIP“ is marked and the project is filled in the purchase or sales invoice row, then the costs and incomes of these rows do not go directly to costs and incomes, but remain on the corresponding account.

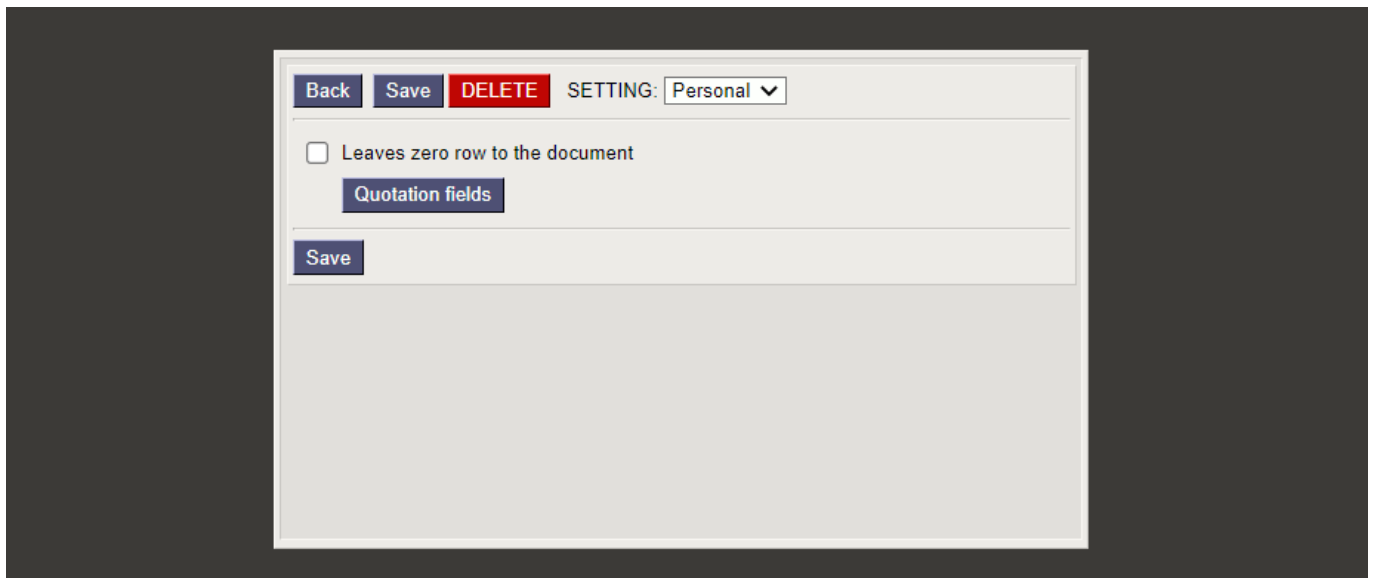

The purchase and sales invoice rows described above appear in the project periodization report.

Project periodization report is located in Common → REPORTS → **Project periodization**.

## 1.1. Fine-tuning

Can be selected in fine tuning :

- **Leaves zero row to the document -**
  - if the option is active the account, object or project can also be changed later on the purchase invoice
  - if the option is not active, can only select the time period for periodization

## 1.2. Filters and filter options

- **Project** - filtered by row project
- **Project manager** - filtered by project manager
- **Cost Account** - filtered by the cost account of the purchase invoice row
- **Customer** - filtered by customer
- **Object** - filtered by row object
- **Item** - filtered by row item code
- **Income Account** - filtered by the account of the sales invoice row

## 2. Report fields

- **Project** - project code, clicking on the code opens the project card
- **Customer** - customer code, clicking on the code opens the customer's card
- **Project Manager** - the project manager indicated on the project card
- **Purchase invoice** - invoice number, clicking on the number opens the invoice
- **Time** - shows the invoice time date
- **Name** - displays supplier/customer code and name
- **Row object** - shows the invoice row object

- **New object** - is filled in if the amount is transferred to an object/objects different from the object on the document.
- **New project** - is filled in if the amount is transferred to an project/projects different from the project on the document.

## 3. Operation

- The purchase and sales invoice must be created with a check mark in „**WIP**“ box
- You can **periodize by quantity, % or amount** in the project periodization report
  - **Quantity** - the % and amount are calculated corresponding to the quantity. If quantity is important it should be marked.
  - **%** - sum is calculated by % (quantity is not calculated)
  - **Sum** - % is calculated by the sum (quantity is not calculated)

- Account (row expense/income account on the original document), object, project can be changed if necessary
- Mark periodization **start and end time**
- The financial transaction is created based on the time in the **Start** field
- Press the button **Periodize**
- **A periodization row is added to the original document** and the **WIP** amount is reduced by this amount
- **Periodization transactions are added to the financial transaction**
- Periodization cannot be done in a closed period
